South Wellfleet, Mass.

TRAINING MEMO NO. 6

25 July 1958

SUBJECT: Army Training Test 21-2

TO: See Distribution

1. All personnel of this battalion of less than field grade rank will take Army Training Test 21-2.

2. Thirty (30) members of this unit will be tested on Saturday 26 July 1958, during hours 0730 to 1130. Personnel will be marched to testing area, approximately one mile from the battalion area, half of distance hardtop and half of distance sand, and will depart early enough to arrive at testing area 10 minutes prior to testing time.

3. Test site is located coordinates 193382, map sheet 6967-1NE, series V-814, Wellfleet, Mass.

4. Uniform for test will be fatigues with cartridge belt, full canteen, first aid packets, and steel helmets (depending upon availability of same). All personnel will carry pencil and paper. Helmets (or liners) will be marked with chalk, front and rear, with squad designation.

5. Umpires will report to 305th AAA Group Headquarters one half hour before testing time, and will wear above uniform, except that fatigue caps will be substituted for helmets. Umpires will carry clip boards in accordance with 305th Gp TM No. 4. ~~At test site~~ At test site Senior Officers of test group (see asterisk at footnote) will report to Chief Umpire at ATT tower when all personnel are present and ready for testing.

6. Score sheets will be completed by battery CO's for each man before arrival at test site. Squad leader (number 1 man) of each squad will carry score sheets for his entire squad and will present same to Umpire at each test station. Same will be returned graded to squad leaders for presentation at next station. Squad leaders are not to divulge to personnel, scores on any test.
